

Pemberton Farmers' Market Community Group Application

Our Mission

The Pemberton Farmer's Market exists to bring Pemberton-area producers and consumers together directly, creating a marketplace for the best quality, freshest produce in Pemberton, and fostering a healthy and sustainable, professional, organic farming industry in the Pemberton area – while also striving to bring a diverse sampling of the community together every week of the season. It is our pleasure to welcome community groups at our market in order to help you further your mandate and community outreach initiatives (non-political and non-religious). Your presence at our market also helps weave the fabric of our collective community.

We welcome community groups up to five times per group, per market season, pending space and availability, on a case by case basis. We offer this at no charge for the first five markets. After that, we will ask that regular vendor fees and membership are paid. Community groups may fundraise through hosting activities, rather than sale of products. Some exceptions may apply.

Our Expectations

Please have your table set up and ready to receive guests by 3pm. It is required that you stay to 6:30 alongside our other vendors. You must also park your vehicle off-site at the Pemberton Hotel or the grassy field next to the Barn.

If you are able, please bring a children's arts or crafts activity with you for the public related to your cause. This can be as simple as a printed out colouring sheet or as elaborate as you want to make it (see above regarding fundraising opportunity). Please note that our market manager is not able to supervise crafting activities. Please "like" us on your Facebook page to help promote your visit to the market by advertising your confirmed market dates.
