As a non-profit organization, the Pemberton Farmers’ Market appreciates the support of our community members, customers, vendors and board members in creating a vibrant market. We recognize the unique opportunity our market has to create an inclusive and welcoming atmosphere that benefits our community as a whole.

As a Friend of the Market, we value your support as we endeavor to bring events, workshops and live entertainment to the community and as we strive towards self-sufficiency with a variety of fundraising events such as our annual “Stone Soup Celebration”.

Please indicate below areas you might be willing to volunteer or participate further in our vision of *“Growing the heart of the community through the Pemberton Farmers’ Market”*
